**PART I: GENERATOR CERTIFICATION**

I hereby certify, to the best of my knowledge, that all of the above information is correct and accurate. I further certify that US Water Recovery will be notified in writing of any process changes, which could significantly alter the composition and/or physical/chemical properties of the waste described above. Bu utilizing this Profile, neither myself nor any other employees will attempt to deliver any waste in which is classified a toxic, hazardous or infectious. I further certify that this material neither contains nor has been in contact with PCB's pesticides or herbicides and to the best of my knowledge is non-hazardous according to all Federal, State, and local regulations. Our company hereby agrees to fully indemnify US Water Recovery against any damage resulting from this Certification being inaccurate or untrue. I further certify that this Company has not altered the form of contents of this Profile as provided by US Water Recovery.
